This policy is divided into a number of sections with optional covers. To find which sections and options are in force, **you** should check **your schedule** which is enclosed with this policy. **Your schedule** also tells you how much **you** are insured for.

How much to insure for

It is up to **you** to make sure that the amount **you** insure for represents the full value of the property concerned.

For **buildings**, this means the full cost of rebuilding **your** property, including any outbuildings, plus an amount for any additional charges which could be incurred in rebuilding, such as demolition costs, architects' and surveyors' fees and complying with the requirements of local authorities.

For **contents**, this means the cost of replacing **your** property as new.

REMEMBER - if you do not insure for the full value of your property your claims payment may be reduced.

Changes in your circumstances

This policy has been based on the information **you** have given **us**. **You** must tell us immediately of any changes to this information, including the nature of tenants at each property, any **unoccupancy** or illegal occupancy at any property. If **you** buy a new property that needs to be insured or if **you** sell any insured property or need to increase the value of **your** property, **you** can change amounts insured at any time, **you** do not have to wait for renewal. **You** must also tell **us** if **you**, any director, or any other persons living with **you**, are convicted of any offence (other than driving offences) or are declared bankrupt. If there is any change of circumstances **we** may revise the terms and conditions of this policy with effect from the date of change.

REMEMBER - failure to notify us of changes may affect any claim you make.

How to make a claim

First, please read this policy and **your schedule** to check that **you** are covered, then the claims notification procedure on page 10 of this policy. **You** should then ask for a claim form on which **you** should provide as much information as possible to ensure that **your** claim can be dealt with quickly by all concerned.
